

## Guidelines for online presentation ICIST2022

### Oral Presentation

1. Presenters must present with the power-point presentation with an audio-recording.  
File must be saved with MPEG-4 Video (.mp4).  
\*\*The file size is not more than 1GB.
2. While presenting, the presenter must record by showing his/her face on the bottom right corner.
3. Make sure your voice record is loud and clear throughout the presentation without music played or any unnecessary noise/disturbances.
4. All participants request to submit the recorded presentation as MP4 file for 15-20 minutes.
5. We will upload your presentation as MP4 recorded file at the presentation date and time and you must online to appear at that time for questions and answers after displaying your presentation using zoom. <https://thairen.zoom.us/> 
6. The upload recorded presentation is only accepted until 20 October 2022
