Dear Speakers/Guest/Participants

Sub: 11th ICIST Conference scheduled to be held during 7-9, December 2023 at Sathyabama Institute of Science and Technology, Chennai, India – postponed due to the effect of strong cyclone and heavy rain at Chennai - reg

Good morning!

We wish to bring to your kind notice that there is a strong cyclone and unusual heavy rain that has happened in Chennai in the last two days. This largely affected the regular services in Chennai city including closing of Airport, major hotels, electricity and local transportation.

Though we have completed all the preconference work, it is difficult for the participants to reach and stay in Chennai as well as conduct the event smoothly on the scheduled date.

Hence, **based on the discussion and concurrence with our Institute and Professor Dr Kasem, the 11th ICIST conference will be postponed to 1-3, Feb 2024**

We are really very sorry for the unexpected inconvenience caused.

We are grateful to all of you for your constant support and interest to participate in the Conference.

Hope you all agree and understand the situation

Thanks and regards with respects

Dr. V. Gopikrishnan

Dr. M. Radhakrishnan
